Sterling Optical insists Ethical Services need not be overpriced

Complete price for Contact Lenses . . .
examination, fitting, adjustment supervision,
grinding of lenses . . . just \$95.

Sterling Optical's complete price for Single
Vision Eyeglasses starts as low as \$7.50.

We know this to be true—we were the ones who proved it. First with eyeglasses, then contact lenses, and recently with hearing aids. It's no secret. Millions of Americans know that Sterling lowers the cost of these ethical services while maintaining the highest standards of quality.

In every ethical branch, Sterling employs the newest technology and the skills of specialists to bring you the finest service and quality you can buy. And you'll find Sterling's prices sensibly low . . . because of volume purchasing and a self-efficient operation. For Sterling supplies everything, including examination service. . . though we'll be glad to fill your doctor's prescription if you bring one.

Come in, and let us prove to you that ethical services need not be overpriced.

... College Life's **BENEFAC**TOR
policy that's completely adaptable
needs, all through your life.

Here's what

BENEFACTOR does for you:

- **Pays you a monthly** ... long as you are ill or disabled for life.
- **Pays double for accidental death** (triple in certain cases). Not restricted by numerous exclusions as in many policies.
- **Provides cash**—at your retirement or to your beneficiary; also for emergencies, business opportunities and other needs.
- **Lower cost**—because college graduates are preferred risks.
- **Pays yearly cash dividends** from savings and profits which can be used in several ways to strengthen your financial position.
- **Sharply reduced premiums for first 3 years** to help you own adequate protection while getting started.
- **All premium deposits are refunded** if death occurs within 20 years.
- **Guaranteed insurability** for future insurance purchases even though your health or occupation is changed.
- **Safety assured** through complete compliance with strict, time-proved, Indiana insurance law.
